A NEW GRASS-ROOT POLITICAL PLATFORM

Growing out of popular demand and compiled by
REV. I. R. WALL, CHAIRMAN
COMMITTEE FOR PROGRESSIVE AMERICANISM
4755 16th Avenue
Sacramento, Calif.

Dealing With the Paramount Issues of the Hour

AND

Bringing a God-Consciousness to the Nation

PROGRESS MUST BE DEFINED IN THE AMERICAN RATHER THAN THE MARXIAN SENSE.

THE NATIONAL DEBT MUST BE DEALT WITH IN A NEW SENSE OF RESPONSIBILITY

LABOR MUST AND CAN SOLVE ITS PROBLEMS IN AN AMERICAN AND DEMOCRATIC MANNER . . . . WITHOUT COERCION FROM MANAGEMENT, AND SAVE THE NATIONAL ECONOMY.

IN THIS TENSE MOMENT OF HISTORY WHEN THE WHOLE WORLD IS IN GREAT DANGER OF BECOMING A SLAVE LABOR CAMP, UNDER THE DEATH DEALING HAND OF COMMUNISM, WE MUST MAKE SURE THAT WE HAVE GOD ON OUR SIDE. THIS IS A MATTER WHICH CONCERNS THE AMERICAN PEOPLE. A DETAILED OUTLINE OF THIS PLATFORM WILL BE ISSUED SHORTLY.

"The Central Committee of the Communist Party of America must direct its particular attention to the progress of the strike of the miners of America,

"Agitators and propagandists must be sent to the strike regions.

"It is necessary to strive to arouse the striking coal miners to the point of ARMED INSURRECTION. Let them BLOW UP AND FLOOD THE SHAFTS. Shower the strike regions with proclamations and appeals. An Open Letter to

THE ACTING SECRETARY OF STATE OF THE UNITED STATES

•

By MERWIN K. HART
PRESIDENT, NEW YORK STATE ECONOMIC COUNCIL, INC.
17 East 42nd Street, New York, N. Y.

Is America to intervene on the Communist side in the Spanish War—on the appealing, though specious, pretext of feeding the hungry?

What did the Red Ambassador at Washington do with the ten million dollars paid him by the United States Government between May 30th and October 3rd, 1938? Why isn't some of that available to buy food? Why should American taxpayers pay for that, too?

To what extent has the money of American taxpayers been used to finance the Communistic side in Spain?

How can the United States sustain the Monroe Doctrine in South America if she intervenes in an European war?

Mr. Webster B. Holmes,

Los Angeles, Calif.

Dear Mr. Holmes:

Thank you so much for your letter of inquiry as well as for your order for copies of our new booklet. We greatly appreciate your interest and desire to cooperate and we are only too pleased to answer your questions.

Mr. Kamp was editor and publisher of "The Awakener" and has been active in veteran and patriotic circles here in the East for the past twenty-odd years. You will find a brief memorandum regarding his activities on the back of the enclosed flyer describing our Fifth Column Map & Directory.

Mr. Kamp knows whereof he writes as evidenced by the fact that within the past several days a number of the charges and predictions made in "WHY WIN the WAR ... and lose what we're fighting for?" have been verified. The Attorney General admitted before a Congressional Committee that up to now the wrong procedure had been used by his Department in investigating Communists on the Government payroll; a Senate Committee accused Donald Nelson of approving the use of sorely needed copper to construct three gigantic transmission lines for the Red-infested R. E. A. in spite of the fact that these lines duplicated and parallelled privately owned systems already in use; Congressman Engel of Michigan exposed the conspiracy between Donald Nelson and Sidney Hillman to give Hillman's union a monopoly on the manufacture of Army uniforms; Donald Nelson announced and began the organization of Worker-Management Committees in defense industries, the demand for which was the direct cause of the internal squabble which finished the OPM; and in yesterday's paper, General Johnson proved the main theses of Mr. Kamp's booklet by citing Donald Nelson's pet argument which goes: "That isn't the way Harry Hopkins and the President want it done!"

Representative Edward E. Cox is a Democratic member of Congress.

Stalin Over Wisconsin

Control in State Is Aim of Communists

By JOHN SENTINEL

COMMUNIST control of the CIO in Milwaukee and Wisconsin is a serious community problem. The cancer of Red-Fascism here is a national disease far greater than is obvious. For Milwaukee is important beyond its size to America's defense of democratic ideals at home and throughout the world.

Few people realize the wide extent and real objective of Communist control over the working people of this state through domination of the CIO.

The Communists control the State CIO Council.

The Communists have the Milwaukee CIO County Council in their pocket.

Reds in Key Position

The Communists hold a tight grip on Local 248 UAW-CIO, the big Allis-Chalmers union, whose control means the ability to wreck both industry and agriculture.

The Communist spider web also covers several other important unions in this area.

And the Communists are moving boldly into government to rot away American resistance to Russian aims for world domination.

ON THE COMMUNIST PARTY MAP OF THE UNITED STATES, WISCONSIN IS STAKED OUT AS DISTRICT 15.

The Communists are not doing all the union work they are doing here for the primary benefit of the working man. They exercise control of the CIO in Milwaukee for a Communist Party purpose. That purpose is an un-American, pro-Russian purpose. It runs contrary to the best interest of the CIO, the rank and file CIO member, of his family, the community, and the American government.

Americans Finally Aroused

Because the real aims of the Red-Fascists were clear long ago—from their own mouths, their publications, and the activities of their tools and dupes, the Sentinel has been laboring this subject for many years.

It seemed a thankless task, but the people have finally been aroused by the Russian recalcitrance at the peace conference, Russian objection to guaranteeing human rights in the peace treaties, and the tactics of the Communists and their fellow travelers in this community and elsewhere in America.

So the Sentinel appreciates and welcomes the growing co-operation of our newspaper colleagues throughout the state and the awakening power of the really democratic forces representing the majority of union labor. This job of exposure and democratization needs the support of all people who believe in America.

In short daily articles, the Sentinel will focus the light of publicity on each detail of the Communist menace here at home so that the thinking power of its intelligent reader audience will be brought to bear on the situation every day.

These articles will show why the Communists want to control the unions and how they do it. The Communists have explained the reasons many times in their own publications, and these will be quoted frequently.

En la madrugada del domingo 4 de noviembre, los rusos después de haber prometido la paz al pueblo húngaro, invadieron Budapest. Ese día, a las 5.15 de la madrugada, un hombre transmitió desde la agencia noticiosa M.T.I. de Budapest, estos mensajes a Viena:

LOS RUSOS NOS HAN TRAICIONADO; ESTAN ABRIENDO EL FUEGO EN TODO BUDAPEST. POR FAVOR INFORMEN A EUROPA Y AL GOBIERNO AUSTRIACO... HAN ABIERTO EL FUEGO... KADAR... MAROSAN Y RONAI HAN FORMADO UN NUEVO GOBIERNO. ESTAN A FAVOR DE LOS RUSOS.

CIENTOS DE TANQUES HAN ATACADO BUDAPEST... MIL... HA EMPEZADO LA LUCHA... CONTINUARE TRANSMITIENDO... INFORMAREMOS AL MUNDO DE TODO... LOS TANQUES RUSOS ESTAN EN LA CALLE RAKOCZI.

ESTAMOS BAJO EL FUEGO DE ARTILLERIA PESADA. EL PREMIER NAGY HABLARA AL PUEBLO... DIGAN SI TIENEN ALGUNA INFORMACION QUE PUEDAN PASAR... CONTESTEN. URGENTE. URGENTE.

¿TIENEN ALGUNA INFORMACION QUE PUEDAN PASAR? VIVA HUNGRIA Y EUROPA. LOS RUSOS ESTAN USANDO BALAS DE FOSFORO.

¿ALGUNA INFORMACION SOBRE AUXILIO? PRONTO. PRONTO... EL ATAQUE RUSO EMPEZO A LAS 4 A. M. SI TIENEN ALGUNA INFORMACION POR FAVOR TRANSMITAN. NO TENEMOS TIEMPO QUE PERDER. NO HAY TIEMPO QUE PERDER.

A las 6.10 a. m. quedó suspendida la transmisión entre Viena y la M.T.I., pero poco después empezó a escucharse una transmisión hecha desde el diario de Budapest Szabad Ned.

THE AMERICAN CONSUMER

KEY TO AN EXPANDING ECONOMY

#124

Durante 15 años la Voz de los Estados Unidos de América ha estado informando a los pueblos del mundo sobre los hechos que han ocurrido en el planeta y respecto a la política de Norte América en relación a dichos sucesos.

Esta es, por lo tanto, una ocasión oportuna para revisar algunos aspectos de la política exterior de los Estados Unidos. El principio orientador de esa política es este: Creemos que podemos disfrutar de prosperidad permanente y gozar de paz sólo en la medida que los pueblos todos prosperan y disfrutan de paz.

Al hablar de este asunto —mejor que hablar de abstracciones— me agradaría trazar un cuadro de su significado; esencialmente, es un cuadro de la clase de mundo que nos gustaría ver, para nosotros y para nuestros hijos, y el que nos imaginamos que agradaría ver a la mayor parte de los pueblos — para ellos y para sus hijos.

El cuadro tiene dos partes. La primera parte se refiere a la formación de los países en particular y a sus gentes.

CON VOSOTROS

MIRANDO HACIA ADELANTE

HACIA UN MUNDO DE PAZ

PRESIDENTE EISENHOWER 25 FEBRERO 1957

Uno de los hechos vitales de este siglo es que han visto la luz docenas de naciones. Estas, conjuntamente con las naciones más antiguas, luchan —cada cual a su manera— para mejorar la suerte de su pueblo— mediante un nivel de vida más elevado, una industria más diversa, y cultivo de los campos más eficaz, acrecentando su estabilidad política y logrando los frutos de tradiciones culturales y religiosas que, en algunos casos, se remontan a millares de años.

La primera tarea de esta nueva era es asegurarnos de que este magnífico resurgir hacia una vida mejor, así individual como nacional, se logre en todos esos países tan rápida y seguramente como sea posible.

Los Estados Unidos han estado trabajando al lado de la mayoría de esas naciones, mientras han realizado notables adelantos en la educación, en métodos agrícolas, control de las enfermedades, construcción de hospitales y carreteras y escuelas y fábricas, represas, proyectos de riego; y mejora en la maquinaria política, legislación y relaciones entre patronos y obreros.
